

Our Expertise. Your Standards.

Calderon had a challenge: Create the best napery line in the textile industry. After extensive market research and listening closely to our loyal customers, Calderon Textiles developed Prisma® Table Linen.

Prisma combines your most valued features: durability, colorfastness, and stain resistance.

Prisma Table Linen is manufactured with a heavier fabric weight which enhances product life, and its Color Lock dyeing technology keeps fabric bright.

Prisma napery provides all the benefits for the best return on your investment.

- 100% MJS spun polyester for durability and strength
- 6.8 oz. weight for superior hand and feel
- Exceptional stain release
- Excellent performance with minimal shrinkage
